## INFORMATION DISCLOSURE STATEMENT

Sir:

Applicants submit herewith patents and non-patent documents of which they are aware that they believe may be material to the examination of this application, and in respect of which, there may be a duty to disclose.

The filing of this information disclosure statement shall not be construed as a representation that a search has been made (37 CFR 1.97(g)), an admission that the information cited is, or is considered to be, material to patentability, or that no other material information exists.

The filing of this information disclosure statement shall not be construed as an admission against interest in any manner (Notice of January 9, 1992, 1135 O.G. 13-25, at 25).

Please find submitted with this information disclosure statement the following: a list of prior art cited by applicant, and copies of listed information items accompanying this statement.

## INFORMATION DISCLOSURE STATEMENT

The person making this statement is the agent for the applicants who signs on the basis of information in the agent's file.

Respectfully Submitted,

A handwritten signature in dark ink, appearing to read "David J. Zwick". The signature is fluid and cursive, with the first name "David" being more prominent than the last name "Zwick".
